Mr. Addison Taylor,
South Kent School,
Kent, Conn.

Dear Doc:

Thanks very much for your letter. The contact with Lee Hats has been an excellent one and they are definitely considering college radio for their next year's budget, quote Kelly.

The check from Brook Brothers finally came through and it is being forwarded to your address.

I will be looking forward to seeing you about the first of August.

Keep the grass cut and pray that it doesn't rain.

Very sincerely,
